

## Sonoma County Job Link

### Integrated Services

### Friday Update

Date 4/24/09

- ✚ **Financial Survival Workshop:** We are offering a new financial workshop titled: “How to survive financially during hard times”. Matt Everson will cover topics such as how to get a handle on your budget, credit card debt, health insurances and other financial strategies. The first workshop will take place on Tuesday, April 28, 2009 from 3:30 – 5:00 PM.
- ✚ **Putting the Pieces Together:** After ten months of Integrated Services and hard work Kathy is planning a half-day meeting for all Job Link partners to put the pieces together. In order to review what has worked and what needs to be improved and to meet the needs of the increased number of clients, several subcommittees have worked out new policies and procedures for Welcome, Skills, and Employment. At the meeting we will see how these different procedures create the bigger picture. More details will follow soon.
- ✚ **California Workforce Association Conference:** As you all know, Kathie White was honored with the “CWA 2009 Workforce Professional of the Year” award at this conference two weeks ago. In her presentation she praised the entire Job Link team for outstanding services. Kathy Young and Kathie White attended the conference and brought back a lot of interesting material. If you would like to find out more, please contact either one of them.
- ✚ **Emergency Preparedness:** Please see attached flyers covering the 20<sup>th</sup> and 21<sup>st</sup> week of great suggestions to keep you safe in an emergency.
- ✚ **Positive Feedback:** Marianne received an e-mail with the following:  
*Yes I found work from the diligent work I did through Job Link...  
I rave about your company to anyone that is looking.*

Some of the worlds greatest feats were accomplished by people  
not smart enough to know they were impossible.
