

## Sonoma County Job Link

### Integrated Services

Friday Update

Date 6/5/09

- ✚ **Summer Youth Employment:** We have successfully completed seven eligibility sessions for the Summer Jobs Program. Thank you to all the staff that volunteered for these sessions and for staff who covered the office, too. You did a great job! We saw approximately 400 youths and are no longer accepting any applications.
- ✚ **Hiring Event:** OSH is opening a new store in Santa Rosa and will have an all day hiring event at Job Link on July 7<sup>th</sup> (please see attached flyer). Job Seekers are asked to complete an online application before attending the hiring event! We are going to offer a workshop titled: “*Get Noticed at the Hiring Event*” for job seekers who would like to prepare for this event. The workshop will take place on 7/2/09 from 1:00 to 4:00 PM. It is open to the public.
- ✚ **Solar Fair:** Solar Sonoma County presents a Solar Fair on June 20, 2009 (see attached flyers in English and Spanish). One of the topics will be *green jobs and training resources*. Many “green” employers will be available for questions and some have openings. Job Link will also be attending a booth at this event. Send your clients who are interested in green information and jobs and/or go yourself to learn more about this emerging field.
- ✚ **Safety Update:** The leasing company for the Lakes sponsored an evacuation drill on June 4<sup>th</sup> at 3pm for all tenants. It was a successful drill. Thank you to all for evacuating yourself and the clients so quickly and meeting at the designated staging area in front of Job Link. In another safety reminder, please remember that Job Link has two emergency supply kits with food and water located in each of the copy rooms. These are to be used in case of a major emergency where staff is unable to leave and will need basic necessities to survive. You should also have some emergency supplies in your car.
- ✚ **Job Networking Success:** Networking is a key aspect of a successful job search. Many clients who have been participating in our Job Network have been obtaining jobs. It is encouraging that our clients get good jobs and to see them share their success with other job seekers.
- ✚ **Reminder:** The next Financial Survival Workshop with Matt Everson will take place on June 18, 2009 from 3:00 PM – 4:30 PM (see attached flyer). ***Please distribute this information widely and let everybody know that this seminar is open to the public.***
- ✚ **Emergency Preparedness:** Please see the attached flyer covering the 26<sup>th</sup> week of great suggestions to keep you safe in an emergency. This is the last flyer! We hope you found this information useful and are now better prepared for an emergency.

Some of the worlds greatest feats were accomplished by people  
not smart enough to know they were impossible.
