

Sonoma County Job Link

Integrated Services

Friday Update

Date 6/6/2008

- ✚ **Prove It!:** Prove It! software has made it to Job Link. The Welcome Team is reviewing the tests to determine which ones may be commonly used. If we don't have everything in place by July 1, we will start using it shortly thereafter.

- ✚ **CASAS:** CASAS has made it to the Human Service Department, but not to Job Link's computers yet. IT is working on some technical issues and we believe it will be running soon.

- ✚ **IS Information and Celebration Event:** Clear your calendar and join us at this event on June 10 from 8:30 AM – 12:00 PM at Job Link (Training and Assessment Rooms A/B). It is important that everybody who is involved in Integrated Services attends this meeting to say goodbye to the old system and transition into the new system. You will get information on the most current updates and recognition for the great work that has been done in the past. We will be celebrating the hard work everyone has done to make Integrated Services successful.

- ✚ **Successful training:** We completed staff training on CalJOBS, the Computer Lab, and the Resource Center. Thank you Diane Reavis, Josh Baum, and Ulla Mast for your thorough presentations.

- ✚ **Job Link Website:** A flyer has been added to the www.socojoblink.org to inform clients about upcoming changes.

- ✚ **BIG Thank You:** We would like to send a big THANK YOU to the entire staff at Job Link for consistently delivering great customer service. Even while we are "*Under Construction*", staff has been assisting increased numbers of clients with excellent service.
