In order to help you, we will need your Right-to-Work documentation, consisting of either:

- Your Social Security card **and** a photo I.D.; **or**
- A certified copy of an American birth certificate **and** a photo I.D.; **or**
- An American passport; **or**
- A “Green Card” (Permanent Resident Card) **or** an Employment Authorization Card

At the end of your welcome session you will be referred to the Skills/Employment Team, which will help you either improve your employment skills or assist you in your job search.

**Job Link will help you
to know your skills,
to develop your skills,
and to get a job with your skills.**

Everyone leaves as a better job candidate!
